

Announcement

OPEN TO: ALL ELECTRICAL ENGINEERING AND CONSTRUCTION SERVICE COMPANIES.

OPENING DATE: SEPTEMBER 12th, 2012

CLOSING DATE: SEPTEMBER 26th, 2012

The U.S. Department of State (DOS) requires professional electrical engineering/construction services to supply and install a 40 KVA / 36 KW UPS (Uninterruptible Power System) and the electrical panels supported by it, for the US Consulate General Hermosillo Building.

For a detailed breakdown of the project and the materials required, see SOW attached. A site visit is scheduled for Tuesday September 18th, 2012 at 10:00am, for all interested bidders to inspect the site, take all necessary measurements, and observe the existing conditions in order to prepare an accurate bid.

INTERESTED APLICANTS FOR THIS COMPETITION MUST SEND AN EMAIL EXPRESSING THEIR WISH TO PARTICIPATE TO BringasML@state.gov and or FuentesRS@state.gov

The address to receive close bids on the date pointed in scope of work will be Monterrey No. 141 Pte. Col. Esqueda, C.P. 83260, Hermosillo, Sonora, Mexico.

The U.S. Government intends to award a contract/purchase order to the responsible company submitting an acceptable offer, technically qualified, at the lowest price. We intend to award a contract/purchase order based on initial quotations, without holding discussions, although we may hold discussions with companies in the competitive range if there is a need to do so
